SHREWSBURY
NURSERIES

EATONTOWN, NEW JERSEY

Index

	PAGES
Deciduous Trees.....	4 to 7
Deciduous Shrubs.....	7 to 13
Vines and Climbers.....	13
Climbing Roses.....	13
Evergreen Trees.....	14 to 16
Broad-leaved Evergreens.....	17 to 18

Terms and Conditions

CUSTOMERS are requested to state mode of shipping, express or freight, and by what route. When none is given we exercise our judgment, but in no case do we assume responsibility after goods are shipped unless for our own mistakes.

While we exercise the greatest care to have all trees, shrubs and plants sold by us genuine and reliable, and hold ourselves prepared to replace, on proper proof, any that may prove otherwise, we do not give any warranty, expressed or implied, and in case of any error on our part, it is mutually agreed between the purchaser and ourselves that we shall not at any time be held responsible for a greater amount than the original price of the goods.

All claims for errors or deficiencies must be made immediately upon receipt of the goods.

TERMS: Cash with order from unknown parties, or satisfactory references.

Five hundred will be furnished at the thousand rate; fifty at the hundred rate and five at the ten rate.

The prices quoted are for our selection and are effective until December 31st, 1925. Where stock is selected by customers it will be charged for in accordance with its value.

Shipment in bulk will be packed at no charge. Where packing is done in boxes or bales a charge will be made to cover the cost of material used.

A certificate of inspection from the State Entomologist will accompany each shipment.

The Spring shipping season usually begins here about March 15th, and the Fall season for evergreens, August 15th. Deciduous stock, October 15th.

Eatontown is on route No. 4 of the New Jersey State Highways, and about forty miles from New York on the Southern Division of the C. R. R. of N. J.

STEELE'S SHREWSBURY NURSERIES.

Deciduous Trees

The following list comprises what we have to offer in strictly first-class deciduous trees, which, in every respect, fully measure up to the standards maintained in those happy days when nurseries were fully stocked.

In addition to the trees listed, we have a quantity of second-grade material on which we will be pleased to make quotations to any one interested.

We also carry a large stock of specimen deciduous trees, of interest to those who require large trees for immediate landscape effects, and solicit inquiries for same.

8 ft.	1.50	12.50
10 ft.	2.50	22.50

Deciduous Shrubs

Our shrubs are transplanted far enough apart to insure full, bushy development in proportion to height, and we have yet to receive the first complaint as to the quality of the shrubs we ship.

All orders are freshly dug immediately prior to shipping and are not subject to a drying out process through cellar storage.

	Each	10	100
ALTHAEA (Hibiscus syriacus, Rose of Sharon). Named single and double flowering varieties.			
2 to 3 ft.	\$0.30	\$2.50

Evergreen Trees

Our evergreens are grown on a heavy loam, are not crowded, and are frequently transplanted. Where necessary to produce dense growth they are trimmed or sheared, the result being that we are able to offer stock of exceptional quality, which handles in the best possible manner.

Prices quoted include digging with ball and burlapping.

		Each	10	100

Broad-leaved Evergreens

We wish to call special attention to our *Azalea amoena* and *hinodegiri*. These are field grown, very heavy and full budded.

Also to *Buxus sempervirens arborescens* and variety *suffruticosa*. These also are field grown, are very heavy and of exceptionally good color.

Samples of any size will be promptly sent on request.
